

Aastra 6800i Series Accessories

Expansion Modules

Aastra offers a choice of two Expansion Modules enabling 6800i Series phones to become robust productivity-enhancing desktop communication tools. Powered directly from the phone, up to 3 modules

can be daisy chained together providing additional programmable keys supporting advanced features such as SCA, BLF and Speed Dial.

M685i

The color LCD display of the M685i Expansion Module is a perfect addition for the Aastra 6865i, 6867i and 6869i SIP phones. Providing 28 keys with LED and the ability to page through 3 sets of 28 keys gives outstanding flexibility and expandability.

- ✦ Supported on the 6865i, 6867i and 6869i
- ✦ 28 programmable softkeys with LED
- ✦ 4.3" 480x270 pixel color backlit LCD display
- ✦ Can be daisy chained with the M680i for a combined total of up to 3 modules
- ✦ Powered by the phone; no separate power adapter required

M685i Module

M680i

The M680i Expansion Module is a compact and cost efficient addition for Aastra 6800i Series SIP phones providing 16 additional programming keys. Each key has a built in LED enabling support of advanced features like BLF, SCA as well as Speed Dial.

- ✦ Supported on the 6865i, 6867i and 6869i
- ✦ 16 programmable keys with LEDs
- ✦ Paper insert labeling
- ✦ Can be daisy chained with the M685i for a combined total of up to 3 modules
- ✦ Powered by the phone; no separate power adapter required

M680i Module

K680i Detachable Magnetic Keyboard

The K680i magnetically connected keyboard provides a full QWERTY keyboard for a more natural typing interface. The Keyboard helps to easily facilitate dial by name, directory search, XML applications and more.

- ✦ Supported on the 6867i and 6869i
- ✦ Magnetically connects to phone
- ✦ QWERTY, QWERTZ, AZERTY versions
- ✦ Powered by the phone
- ✦ No cables or batteries are required

K680i Keyboard
